Bill Ritter Named Father of the Year

Last week, Governor Ritter received the Father of the Year Award from the American Diabetes Association, and this month he's also being profiled on the www.coloradodads.com website.

SHARE

Without question, being Governor and being a dad to four children is a tough balancing act. "Out of all the things I've been privileged to do," Governor Ritter says, "being a father has been the most meaningful of everything. Parenting is such a privilege."

Watch this video, see the photos and read about Bill Ritter, the father.
